

WARRANTY NOTE

(For vehicles still under manufacturer's warranty)

WARRANTY INFORMATION:

You have purchased a vehicle that is still covered under its manufacturer's warranty. This means, in the unlikely event of something going wrong, Michael Barrable Motors cannot carry out any necessary diagnostic and / or repair work to your vehicle. This must be completed by an authorised retailer for the brand that you have purchased.

It is important to note and understand that each manufacturer has different warranties in place. For example, the duration and / or milage limits of their respective warranties. It is your responsibility to understand these limitations and in completing your purchase agree to those terms set out by the manufacturer of your vehicle.

Should you encounter any issues, please do not hesitate to contact our Service Department on 01-8833300, who can advise you of the closest authorised retailer. As the registered owner, you will have to contact them and explain your concerns, book your vehicle in, and bring it to your scheduled appointment.

Should the manufacturer's warranty expire less than 12 months after the purchase of your vehicle, Michael Barrable Motors will supplement any shortfall up to a maximum combined period of 12 months, this supplemental warranty will be subject to our own T&Cs set out in our Warranty Certificate.

IMPORTANT NOTE:

Please note the distinction between Warranty work and Service work (i.e., regular maintenance), whereby any Professional Independent Garage (like Michael Barrable Motors) can carry out routine service work and not affect a vehicles manufacturer warranty. This relates to EU Legislation "Block Exemption Regulations 461/2010", which is anti-competition law.

It is only Warranty work that must be carried out by an authorised retailer as that is set out in T&Cs of manufacturer warranties for various reasons.

It is your responsibility to uphold the correct service schedule according to the manufacture's specifications for your vehicle. Failure to do so may affect your vehicles warranty. By signing this, you agree to be bound by these terms.
